

## METHODISTS' ANNUAL REPORTS GOOD

(Continued from Page Nine)

another year with this loyal and devoted people.

Rev. George A. Grant, registrar of the board of examiners, and chairman of the committee on memorials will be remembered in Norwich as faithful pastor and thoughtful administrator who served the former Sackheim street church (now merged in Trinity) 1891 to '94. His present pastorate is at Allen street, New Bedford, where he has served since 1917.

Another who was once pastor of the former Sackheim street church is the Rev. Florin L. Streeter, who is serving another year in the service of the Methodist church, adding from this one pastorate in Norwich, Mr. Streeter's career has been outside Norwich district. His Norwich friends will be glad to know, however, that he has held several successful pastorates in some very important churches of the conference.

The men who have died during the past year whose memory was commemorated in the service of Wednesday morning are as follows: Wm. P. Hyde, Edwin G. Dabcock, George H. Butler, George W. Boyer, Harley A. Ridgway, and C. Harry Smith. Of these Mr. Hyde was pastor at Norwich Town in 1877

and '78. Mr. Butler held the following charges on Norwich district: 1882-84 East Greenwich; 1885, Myrtle; 1886-87, Putnam; 1888-89, Manchester; 1890-91, Moosup. Mr. Elmer served Staffordville and Willington, 1899; Moodus and Haddam Neck, 1897-98; Voluntown and Griswold, 1899-1900; Wapack and Windorville, 1903-04. Mr. Smith came to Norwich district in 1911 as pastor at New London and in 1918 he went to Williamstown where he was pastor until his death but a few weeks ago.

The ministers' wives who have died were as follows: Mrs. Sargent, Mrs. Heath, Mrs. Walter and Mrs. Bromley. The last named was the wife of Rev. Charles B. Bromley, now pastor at Windorville. She is remembered in Norwich where she lived several years when her husband was without a pastoral charge and engaging in evangelistic work. She will also be remembered in Black Hall, Quarryville and Windorville, Conn., and in Greene and Hope Valley, R. I., in which places her husband has held pastorates. Trinity Union church in which the conference is being held is a church in which she held her membership for several years during the time in which the family resided in Providence.

The other women mentioned were not outside this immediate section.

MAY MEAN ANOTHER THEATRE FOR NORWICH

It is reported that Schwartz Brothers who have purchased the Austin block on Main street and who are to build a large addition in the rear of the block are considering the possibility of a theatre in the building. If the plans mature this fall give Norwich five theatres as the Shields property on Broadway is to be converted into a theatre.

DISALLOW NANTIC CLAIM FOR WORKMEN'S COMPENSATION

Commissioner J. J. Donohue has disallowed the workmen's compensation of Lawrence Gads of Nantic, an employee of A. Malnati & Co. of Nantic. Gads made his claim on the grounds of having suffered a hernia on or about June 17, 1920. This alleged injury caused no disability whatever and he continued to work for over eight months. Sometimes in February, 1921, claimant called upon a physician who upon examination ad-

vised him that he had a rupture and suggested an operation.

The commissioner disallows and dismisses the claim, finding the following facts from the testimony of the claimant and respondents:

1. There was no notice of injury given to the employer until some eight months after the injury is claimed to have been received.

2. The claimant proceeded to arrange for his own medical, surgical and hospital services without securing the consent of the respondents or giving them an opportunity to provide the same.

3. The claimant has not sustained the burden of proof of an injury arising out of and in the course of his employment.

## YANTIC

George Kahn, who is president of the Yantic Co-operative Exchange, has reported much activity in the exchange during the past two weeks. Three carloads of material have been handled—over a hundred tons—consisting of two cars of lime, two cars of fertilizer and one car of grain—and is a great aid to the surrounding farmers who are rejoicing over the success of it.

Many of the pear and peach trees are showing delicate colorings in their blossoms in the village and it is hoped that a severe frost will not kill the budding fruit.

The maple trees are very showy as well as the willows and alders along the river banks.

VIVIANI DEFENDS CLAIMS MADE FOR REPARATIONS

New York, April 7.—France's determination that Germany shall pay her debts, was given impressive expression by Rene Viviani, extraordinary envoy to the United States, in another day of crowded activity in New York.

Addressing the chamber of commerce, the former premier of France defended his country's policy of demanding war reparations from Germany. Tonight, at a dinner given by the American Committee for Devastated France, he related eloquently the gratitude of his countrymen for America's aid in the war and in reconstruction. In addition, the distinguished visitor attended an official reception at city hall where greetings were exchanged with Mayor Hylan.

Although Mr. Viviani is unable to speak English, his address in his mother tongue never failed to move his audience by their apparent sincerity and strength of appeal. On several occasions he spoke English, his address in his mother tongue never failed to move his audience by their apparent sincerity and strength of appeal. ## Stiff? Sore?

A lame back, a sore muscle or a stiff joint often is considered too lightly by the sufferer. It should be remembered that backache, rheumatic pains, stiffness, soreness, aches and pains under the eyes are symptoms of kidney and bladder trouble—and these certainly should not be neglected.

## Foley Kidney Pills

help the kidneys eliminate from the system the poisonous waste and acids that cause these aches and pains. They act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to healthy, normal condition.

J. E. Simmons, 400 E. 5th St., Portland, Ore., writes: "I was troubled with backache and urinary trouble. I used Foley Kidney Pills and will say that I highly recommend them to anyone troubled in that way, as they are excellent."
